TAILS IS GETTING HIS OWN COMIC BOOK!!!

I've spoken briefly about it...you've heard the rumors...it's coming your way...it's here! That's right! The two-tailed, high-flying wonder, Sonic's numero uno buddy Tails, finally gets his own **three issue mini-series!** This fall, you'll witness Tails striking out on his own in his **Sea Fox** submarine as he faces vicious robotic winged dingoes and the return of **Octobot!** You'll also thrill to the introduction of the **Forty Fathom** and **Downunda Freedom Fighters** including **Ray, Big Fluke, Walt Wallaby, Duck "Bill" Platypus, Wombat Stu, Barby Koala** and **Guru Emu!** Tails will need all the help he can get as they all must battle the supremely terrifying...**CROCKBOT!**

Tails' solo adventures begin this issue with "Growing Pains" and continue in **Sonic #29.** From there, it's straight into his number one collector's edition, **on sale October '95!** Check out the cover on the next page, and remember, if you can't find Tails' mini-series at your favorite place for comics, you can order them by using the handy coupon located in this issue!

More "de-Tails" next time!

Scott

PS: With this issue, we bid a fond farewell to Associate Editor **Freddy Mendez.** No, he's not leaving his job at Archie Comics! After a short but productive stint as Sonic's #3 bud (Tails is #1 and I'm #2 of course!), Freddy is off to edit a couple of comics of his own. Don't feel too badly, though. Seeing as how Freddy's and my office share a common wall, I'm sure he'll be poking his head in Sonic's comics again some time soon!

Dear Sonic,

I love your comics. You are so cool! You're such an expert at getting out of situations. I love your fellow Freedom Fighters... even Antoine. I especially like Tails. Please give him his own series. I remember the first Sonic comic I got at a comic book shop. I loved it so much, I had my mom subscribe to it for me and I've gotten every single one ever since.

We have some things in common. I like chili dogs, same as you. I also love to run -- although I'm nowhere near as fast as you. In fact, I run from class to class in school. My teachers say I will become an Olympic gold medalist in running when I grow up. Keep up the good work making Mobius a little safer from Robotnik.

Jeffrey Dawson
Jacksonville, FL

PS: Maybe you could put in a good word for me so that I can become a Freedom Fighter.

I sure can, Jeffrey! The Freedom Fighters are always looking for new members. Tails really appreciates the support he's been getting to star in his own series. The dream is now a reality! Check out Scott's editor's box and the cover to Tails #1 elsewhere on

these pages for more de-Tails!

Dear Sonic,

I really enjoy the Sonic comics. Keep up the good work. Ever since the first Sonic comic came out, a question went through my head: Will there be a Tails comic?

George Hempell

Brooks, ME

PS: How old are you?

You see what I mean about the support he gets? Tails is lucky to have so many fans that love him like the Freedom Fighters do. (Don't tell him I said that! Tell him Sally did!) For the best answer to your question, check out these pages!

PS: I'm fifteen.

Dear Sally,

I am a big fan of yours. I am fifteen years old and would like to know two things: 1) How can I become a Freedom Fighter? 2) How can I buy the Sonic In Your Face Special #1?

Your almost fastest,

Robert Brannon

**ON SALE

**SONIC #29!
SALLY GETS
ROBOTICIZED!**

**TAILS #1
COLLECTOR'S
EDITION!**

Hi, Robert! Sally here!

1) To become a Freedom Fighter you have to display courage, skill, wisdom and have "heart." Send me a letter describing something outstanding you've done and I'll see what I can do about making you an honorary member!

2) You can order that issue by using the order form located in this comic.
